Glucose Level Checks

Medicare requires that you send us a log showing 30 consecutive days of glucose test results once every 6 months. To help you meet this requirement, we are providing this log.

Write down your glucose level result each time you test. Once your log is completed, return it to Liberty in the postage-paid envelope supplied, or fax it to us at: 1-800-762-0826. You can record up to 7 tests per day.

If you have any questions, call us at 1-800-762-8026. Thank you for choosing Liberty.
